

Principal's Address 2025 Parent-Teacher Meeting

Thank you Mr Farizal!

*Together with you and all of
my staff, partners and
stakeholders...*

*To build on the strong
foundations laid by my
predecessors at Radin Mas
Primary School to **bring out
the BEST in your child***

An illustration of a schoolyard scene. In the foreground, a girl with brown hair, wearing a blue vest over a white shirt, is looking towards the viewer with a surprised expression. In the background, several other children are engaged in various activities: one is sitting on the grass, another is standing and looking towards the left, and a third is partially visible on the right. The background also shows a school building with a sign that reads 'R-ADIN NIES' and a flagpole with a flag. The overall scene is bright and colorful, representing a typical school environment.

**“Education is about
nurturing the whole child
to be the best person
that he can be.”**

Growth Mindset

Let's make learning challenges an opportunity to grow. Say it with us:

- I can do hard things.
- My efforts are important to realize my goals.
- There's always room to improve!
- Mistakes teach me new lessons.
- Challenges allow me to grow.
- All things are difficult, before they are easy. So we should always keep trying!

My Reflections

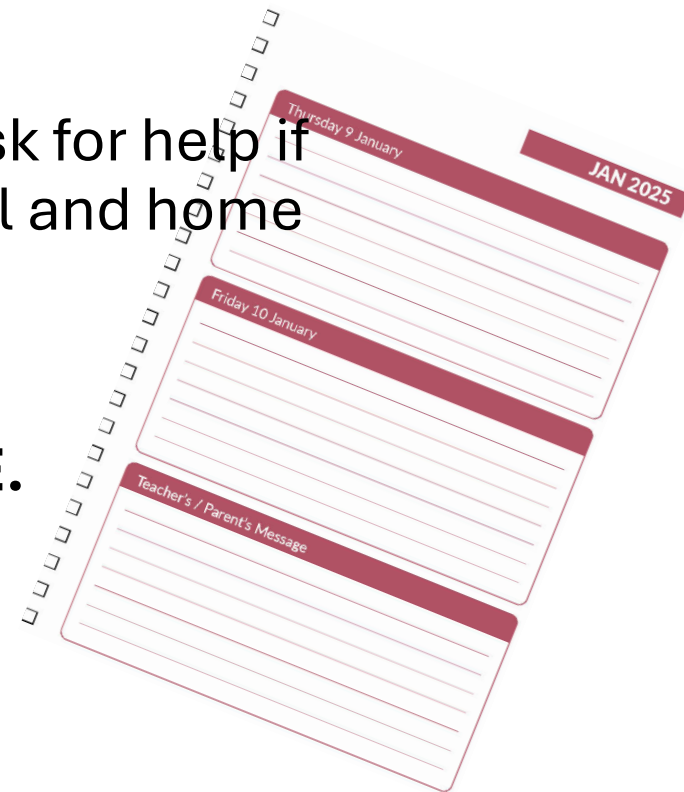

A cartoon illustration of a bee wearing a white shirt and a dark tie, standing with its wings spread.

WORK HARD AND PLAY HARD

P's Assembly
6 Jan 2025

What you learn in school are the foundations of what you need in life!

- **Learn well in school.** All lessons, CCAs and activities are designed to build you well as a **WHOLE** person.
- Be a **RESPONSIBLE Learner**. Know what you need to learn, ask for help if you do not understand. Know what you need to bring to school and home everyday. Use your Student Handbook to help you remember.
- Learning is not for tests, exams or results. **Learning is for LIFE.**

WORK HARD AND PLAY HARD

*P's Assembly
6 Jan 2025*

- ✓ I expect all of you to put in your **best efforts** to complete your homework and revise what Teachers have taught on a daily basis. Do not only study for tests or exams.
- ✓ Pace your revision and learning. Plan your daily Timetable for activities after school. There is **time to work** and **time to play** if you plan for it wisely.
- ✓ Look through the materials on this topic/skill, especially for areas you needed to do corrections. Have you learnt? Have a **Growth Mindset**.
Seek help if you need it.

MAKE A MARK

“Excellence is not a destination, but a continuous journey that never ends.

Let us always strive to surpass ourselves, rather than focusing on outperforming others.”

Mr Chan Chun Sing

Minister for Education

Facebook Post

5 December 2023

MAKE A MARK

“...the essence of broadening the definition of success....It is not just about broadening the definition of success from academic to non-academic, personal achievements. It is broadening the definition of success, from personal achievements to collective contributions. If we can do that, we will have a much more heartwarming society, a much more cohesive society, a society where everyone feels respected and valued. That is what we need to strive towards.”

Speech by Minister Chan Chun Sing, Minister for Education at WPS 2023, at EXPO Convention Hall

Key  **focus**

*Bringing out the Best in Yourself and
Others to make Collective
Contributions!*

**Let's journey together and
make the P6 journey a
meaningful and fruitful one!**
